Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Pastoria is a peaceful and prosperous land, situated in a fantasy world like you people from Earth see in video games and anime. There are dragons and demons and the occasional Dark Lord, but in everyday life there are basically people. In this world magic isn't just something wizards toss around when they're feeling less subtle and more quick to anger; it's a commodity, an important part of the economy. The sale of magical items, ranging from simple agricultural charms to world-shaking artifacts, is an everyday occurrence. There are magic peddlers who wander from village to village in worrisome carts, but every town of any size has at least one magic item shop. To adventurers a magic shop is a place of routine, a place to trade in treasure and stock up on healing potions. However, there are those to whom a magic shop is a workplace, where every ring of the bell above the door brings a customer looking to buy some trinket or other. This game is about these retail workers. Society tends to look right through them, and they don't have an easy life. This has a lot to do with the history of Pastoria and the nature of the magic trade. The region where Pastoria now stands was home to countless battles fought with ludicrously powerful magic. There are pockets of magical distortions and potentially dangerous artifacts all over the place. Magic items are plentiful, though it takes a certain amount of filtering to find the useful ones. Pastoria also has many more outworlders-visitors from other dimensions-than more distant lands. Society often shuns such people (and other things), but due...
