I have made no inquiries among farmers regarding it, but where I have examined it it has been of a dense growth and yielding fully as well as red clovr. Since writing the above this morning I have been out on the street interviewing some of the many farmers as they are on their way into the city with their loads of potatoes, apples, pork, beef, poultry, hay, and all sorts of country produce, and there was not a single one of the many I asked about crimson clover but either raised it or knew about it, and with one exception spoke highly of it, and some of them, knowing that I am a bee-keeper, said the bee, like it too. The exception referred to is one of the slip shod kind of farmers, and...
