This study was undertaken for the purpose of collecting facts pertaining to the place occupied by the various social science in the curriculums of the high schools of the North central Association of Collages and Secondary Schools. In addition, certain questions relating to the general procedure of instruction were included. The specific questions asked are given on p. 8. The questionnaire blank was sent to 1273 secondary schools belonging to the North Central Association, and approximately one-half of these blanks were returned. Some were improperly filled out and had to be rejected. Others arrived too late to be included in the tabulations. The tables on the following pages are based upon the total of 475 replies. The Questionnaire blank. The questionnaire blank was printed as a four-page folder - eight and one-half by eleven. A portion of it, the general explanation, and the specific directions for answering each of the questions are reproduced here.
