Hampered by a citywide manhunt, Jan soon finds that investigating leads while eluding capture isn t easy. Before long, he s relying on a team of misfits for help, including an icy blonde medical examiner and a brilliant but reclusive computer whiz.When a lucky break leads Jan to connect the murders to a heinous trafficking ring, the team risks it all to find answers. Meanwhile, the body count continues to rise and the police department starts to close in. Desperate to prove his innocence, Jan must identify the true killer before his time finally runs out.
