Reviews

This publication will never be straightforward to get going on looking at but really fun to see. This can be for all those who statte that there had not been a worth looking at. You wont really feel monotony at at any moment of your own time (that's what catalogs are for about should you request me).

AUTOIMMUNE DISEASE: THE SECRET TO BEAT YOUR AUTOIMMUNE DISEASE (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Autoimmune disorders is on the rise, and have exploded over the past 7-10 years, affecting everyone from babies to children, teens, young adults, older adults, and especially women at a rate 5 times greater than men! If you haven't been diagnosed with an autoimmune disease, but you have some symptoms or you have a food sensitivity issue³, then you may have the initial stages of a leaky gut. Also, if you haven't been diagnosed with an autoimmune disease, but the medications that you've been taking for your diabetes or other disease haven't really helped; or you find yourself feeling worse with each passing day, then, get a full complete physical exam. Why? Most people who wait end up finding out when it's too late that the autoimmune dysfunction has destroyed part of the thyroid, pancreas, joints, skin tissue, nervous system, retina tissue, or some other part of the body. On the other hand, if you have been diagnosed with an autoimmune disorder and you're taking steroids or some kind of immune suppressant drug, you may want to reconsider, given what these drugs do to your thyroid, immune system and other organs/tissues. Relying on drugs to control the symptoms and / or suppress your immune system only makes matters worse! In fact, suppressing your immune system can make you susceptible to frequent colds, allergies, asthma attacks, etc.; and, if it gets worse; infections, tuberculosis, pneumonia, and even cancer or some other systemic disease. But, the good news is that you can rebalance your immune system naturally to reduce the immune response, and its over-reaction to attacking your own healthy cells. Autoimmune disease refers to a group of...
