Balanced Daily Diet (Classic Reprint)

By Janet McKenzie Hill

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Balanced Daily Diet Food selection and combination are no longer faddist, for today there is a widespread appreciation of the truth that health is the result of a balanced diet. Throughout the animal kingdom the mother's milk is in each instance a perfectly balanced food for the baby of its kind. For the calf, the cow's milk is a perfectly balanced food, just as the mother's milk is without a fault for the infant. Note how the calf builds in a few short months a large and heavy framework of bone covered with tissues that protect internal organs almost the size of complete growth, and how the human infant thrives on its single, simple food. Now, to get this balance of food elements in a variety of foodstuffs is the purpose of every seeker after perfect growth and health. A truly celebrated physician says it is possible to formulate a dietary as accurate as to its substances and combinations as a medical formula, but this means daily study on the part of the...

Reviews

This is basically the very best publication i actually have go through until now. It really is loaded with knowledge and wisdom I realized this publication from my i and dad encouraged this publication to discover.
