Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Alex Arnault-Ham (illustrator). Language: English . Brand New Book ***** Print on Demand *****. The Bobby and Zena series. On the outskirts of a small town, looking out over the fields to the forest below, is a little white house. It has a black roof, lots of windows and a garden full of flowers and bushes and trees. There are birds in the garden too, and now and then a squirrel and now and then a hedgehog. In the little house live Bobby and Zena and their Mum. Bobby and Zena are always getting up to high jinks. They have a lot of fun together with their friends, so much fun that their Mum sometimes looks very tired. Bobby's two best friends are Elmer and Vincent. These three are always up to something. And that something often involves playing tricks on Zena and her two friends, the twins Connie and Lily. Connie and Lily live two houses down from Bobby and Zena and the chums are always popping back and forth to see each other, using their own secret path along the side of the field. The first story in the Bobby and Zena series is of the time when they together with their friends were guests of a famous French master chef on his morning television show.
