Coyote Tales from the Indian Pueblos (Paperback)

By Evelyn Dahl Reed

Sunstone Press, United States, 2016. Paperback. Condition: New. Glen Strock (illustrator). Language: English . Brand New Book ***** Print on Demand *****. One of the most constant symbols of North American Indian mythology is coyote, a figure that has not only persisted but successfully crossed cultural barriers. Coyote survives both as an animal and a myth in literature and art. Why have coyote stories lasted so long? Although they are entertaining, one of the purposes of the legends is to point up a moral. Coyote serves as a model of what to do and what not to do. In many of the stories his anti-social behavior results in misfortune. And some of the stories provide a relief from serious and tense concerns. Listeners or readers are also able to take a vicarious delight in Coyote's irreverent attitude toward authority. In the end, coyote has the power to draw us all into his magic circle and, in his own way, he serves to reinforce our human identity. This book is an ideal companion to Kachina Tales from the Indian Pueblos, American Indian legends collected by Gene Meany Hodge from authentic sources in the 1930s, also published by Sunstone Press. Booklist...

Reviews

The book is fantastic and great. It is loaded with knowledge and wisdom You are going to like the way the article writer create this ebook.

-- **Amaya King**

Very good e-book and valuable one. It can be written in basic words and phrases and not confusing. You will not really feel monotony at whenever you want of your own time (that's what catalogues are for concerning should you check with me).
