A mystery to the identity of who it was that tried to kill Private Investigator Dan D. Lyon by planting a car bomb wired to his ignition switch, brings two friends and a sworn enemy to the detective's aid. The three detectives begin working on the case while Lyon is recuperating in the hospital, and then at home. When one of the detectives gets too close to the truth it is deemed necessary to silence him. This only adds to the determination of Lyon to find the ones responsible. This mystery is the creation of three writers, each developing their character and using their writing style. It makes for a good read and a page turner for the readers.
