By Brian Johnson

Trading Insights, LLC, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Brian Johnson, an investment professional with over 30 years of experience, is the author of three pioneering books on options: 1) Option Strategy Risk / Return Ratios, 2) Exploiting Earnings Volatility, and 3) Option Income Strategy Trade Filters. His new in-depth (80+ page) article, Option Strategy Hedging and Risk Management, presents a comprehensive analytical framework and accompanying spreadsheet tools for managing and hedging option strategy risk. Drawing on his extensive background in option-pricing and on decades of experience in investment management and trading, Brian Johnson developed these practical techniques to hedge the unique and often overlooked risks associated with trading option strategies. These revolutionary new tools can be applied to any option strategy, in any market environment. Option Strategy Hedging and Risk Management is written in a clear, easy-to-understand fashion and explains how to apply market-specific hedging techniques, using several different hedging vehicles. Created especially for readers who have some familiarity with options, this practical guide begins with a review of position sizing, including a detailed analysis of the implicit assumptions and embedded risks that could have disastrous consequences, particularly for option...
