Reviews

This book is really gripping and fascinating. Of course, it is actually play, nonetheless an interesting and amazing literature. You will not feel monotony at anytime of the time (that's what catalogs are for about if you request me).

Burleson Media Group, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This is no ordinary practice management book for the average orthodontist doing just one job. This book is specifically for the doctor who wears many hats and understands that treating patients is the easiest part of his day. This book will help drastically re-engineer all of the things they never taught you in dental school but that you have likely been doing wrong for years. If the strategies in this book are applied faithfully, your practice will soar and your personal freedom and liberation from the wear and tear of running a practice will finally set you free to serve others with passion, make more money, give generously to your employees and community and create an amazing legacy in the process.
