Reviews

These types of ebook is the best book available. It really is written in easy terms instead of hard to understand. You will like just how the article writer create this book.

(Krista Nitzsche Jr.)

BUNGALOW BASICS PORCHES (HARDBACK)

Pomegranate Communications Inc, US, United States, 2004. Hardback. Book Condition: New. 163 x 137 mm. Language: English . Brand New Book. Set almost invariably in a lush garden, the early-twentieth-century bungalow allowed countless suburbanites to get back to nature without leaving the cozy confines of their own property. The bungalow front porch epitomized the indoor-outdoor lifestyle associated with this popular new form of housing. Furnished as an extension of the adjoining living room, it offered a comfortable spot from which to enjoy unimpeded views of the surrounding landscape. Because the front porch typically defined a home's street presence providing what realtors refer to as curb appeal it also represented one of the most distinctive features of bungalow architecture.
