Good electronic book and valuable one. It is one of the most incredible publication we have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.

CARMEL, MONTEREY PACIFIC GROVE: GETAWAY GUIDE TO CALIFORNIA S MONTEREY PENINSULA (PAPERBACK)

West Press, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The only place in the country where three of the 100 Great Towns of America adjoin is on the Monterey Peninsula. No surprise, given the combination of a spectacular coastline; a climate as ideal for human habitation as it is for lush landscapes; and natural constraints that slowed urban land development long enough for political sentiments to take over the role of protecting this unique natural setting from rampant growth. With incomparable beauty, there is plenty for visitors to enjoy year-round. A hike/bike path connects Monterey and Pacific Grove with flowery seascapes to within a block of famed historic Cannery Row; and the Seventeen Mile Drive is one of America s most picturesque scenic roads. Everyone should take time to stroll among storybook cottages in downtown Carmel, and marvel at how roads always yield rights of way to noble trees. Kayaking, hiking, fishing, boating and other sports are delightful in world-class land-and-sea settings from the Peninsula through Big Sur bounding the region on the south. The Monterey Aquarium is one of the finest in the nation. Lush landscapes and romantic settings have spawned sybaritic spas and romantic retreats in all three towns. Wineries and affiliated tasting rooms abound, as does gourmet food in all styles and price levels. Weather is hospitable most of the year. This guidebook will help you discover the marvels of this remarkable area.
