Reviews

Undoubtedly, this is the best function by any writer. This really is for those who statte there was not a really worth reading. Its been written in an exceptionally basic way which is merely right after i finished reading through this book by which really transformed me, change the way i really believe.

Those volumes dealt with literatures limited and finished; this volume deals with a literature indefinitely vast in extent, and still in vital process of growth. The selection of material to be used was, in the case of the earlier volumes, virtually made for the author beforehand, in a manner greatly to ease his sense of responsibility for the exercise of individual judgment and taste. Long prescription, joined to the winnowing effect of wear and waste through time and chance, had left little doubt what works of what writers, Greek and Roman, best deserved now to be shown to the general reader. Besides this, the prevalent custom of the schools of classical learning could then wisely be taken as a clew of guidance to be implicitly followed, whatever might be the path through which it should lead. There is here no similar avoidance of responsibility possible; for the schools have not established a custom, and French literature is a living body, from which no important members have ever yet been rent by the ravages of time. The plan of this volume, together with the compass proposed for it, created the necessity of establishing from the outset certain limits to be very strictly observed. There could be no introductory general matter, beyond a rapid and summary review of that literature, as a whole, which is the subject of the book. The list of authors selected for representation must not include the...
