Excerpt from Counter Memorial of the President of the Balt; Potomac Railroad: To the Memorial of the President and Directors of the Baltimore and Ohio Railroad The memorial under consideration first asserts, that the Baltimore and Potomac Railroad Company are about to pervert their charter to very different objects than those contemplated by those who obtained its passage, and in conflict with the intention of the Legislature. This charge, put in plain language, is, that it was not the design of those who asked for the charter to make, nor of the Legislature to authorize, a lateral road to Washington, and consequently, that the contract which has been made for the construction of the main stem of the road, from Baltimore to the Potomac, with a lateral branch road to the District line, is a perversion of the original design of the Corporators, and contrary to the intention of the Legislature. The first object of the undersigned will be, to expose the error into which the author of the memorial has fallen in each of the two allegations of fact contained in this proposition.
