Having worked hard to put the nightmare behind her, Amanda has vowed to never be a victim again. But when her business partner, Derek England, is found with a bullet through the back of his head just hours after she left an incriminating message on his voice mail, Amanda finds herself in danger of becoming a victim of another sort. All the evidence points to Amanda as Derek's killer, and Chief of Police Sean Mercer is building the case against her. But when another of her colleagues is found brutally murdered, it's obvious that someone other than Amanda is behind the killings. Suddenly Amanda is a target once again, as a diabolical killer circles ever closer and the only thing that stands between her and becoming the third and final victim is the man who had tried to put her behind bars. . . .
