

The Philokalia: A Classic Text of Orthodox Spirituality

Filesize: 4.26 MB

Reviews

This pdf is wonderful. It really is written in simple terms instead of hard to understand. It has been developed in an exceedingly simple way and it is just after I finished reading this ebook in which it in fact modified me, altered the way in my opinion.
(Ollie Powlowski)

THE PHILOKALIA: A CLASSIC TEXT OF ORTHODOX SPIRITUALITY

Oxford University Press. Paperback. Condition: New. 366 pages. Dimensions: 9.2in. x 6.0in. x 1.0in. The Philokalia (literally love of the beautiful or good) is, after the Bible, the most influential source of spiritual tradition within the Orthodox Church. First published in Greek in 1782 by St. Nicodemos of the Holy Mountain and St. Macarios of Corinth, the Philokalia includes works by thirty-six influential Orthodox authors from the fourth to fifteenth-centuries such as Maximus the Confessor, Peter of Damascus, Symeon the New Theologian, and Gregory Palamas. Surprisingly, this important collection of theological and spiritual writings has received little scholarly attention. With the growing interest in Orthodox theology, the need for a substantive resource for philokalic studies has become increasingly evident. The purpose of the present volume is to remedy that lack by providing an ecumenical collection of scholarly essays on the Philokalia that will introduce readers to its background, motifs, authors, and relevance for contemporary life and thought. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
