Random House USA Inc, United States, 2015. Hardback. Condition: New. Language: English . Brand New Book. Now even the youngest readers can enjoy Charles Dickens s classic Christmas tale in this beautifully illustrated picture-book version of the holiday favorite, simpler to read but with all the magic of Dickens s voice preserved. Follow miserly Scrooge as he is whisked through the night by the ghosts of Christmas Past, Present, and Yet to Come in order to face his selfish treatment of Jacob Marley, Bob Cratchit, and Tiny Tim. Families will enjoy reading this shortened version of Dickens s story together, with its warm illustrations that capture every twist and turn. All the key elements of Dickens s seasonal ghost story remain intact in this skillful adaptation. McKeown streamlines the story while remaining true to the language and eerie aspects of the original. --Publishers Weekly would make a fine read-aloud for an elementary-age group or a useful introduction before attending the play. . . . The lessons Scrooge learned are still valuable and worthy of passing along to younger readers, who can meet these famous characters and learn the origin of the oft-quoted Humbug! --Kirkus the full pages of engaging watercolor and digital media illustrations effectively take readers into the scenes of regret, past merriment, and, finally, redemption. . . . An appropriate choice for a family read-aloud or for newly independent readers. --School Library Journal.
