Philosophy, Science and Religion for Everyone (Paperback)

By Duncan Pritchard, Mark Harris

Taylor Francis Ltd, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. Philosophy, Science and Religion for Everyone brings together these great truth-seeking disciplines, and seeks to understand the ways in which they challenge and inform each other. Key topics and their areas of focus include: * Foundational Issues - why should anyone care about the science-and-religion debate? How do scientific claims relate to the truth? Is evolution compatible with design? * Faith and Rationality - can faith ever be rational? Are theism and atheism totally opposed? Is God hidden or does God simply not exist? * Faith and Science - what provides a better explanation for the origin of the universe-science or religion? Faith and physics: can they be reconciled? Does contemporary neuroscience debunk religious belief? Creationism and evolutionary biology - what constitutes science and what constitutes pseudo-science? * Practical Implications - is fundamentalism just a problem for religious people? What are the ethical implications of the science-and-religion debate? Do logic and religion mix? This book is designed to be used in conjunction with the free `Philosophy, Science and Religion MOOC (massive open online course) created by the University of Edinburgh, and hosted by the Coursera...
