Not illustrated. 1906 Excerpt: . exposures, some check plates are taken; I mean plates exposed just like the main plates but only during, say, half a minute; which plates are then stowed away, undeveloped, with the others. Now, before taking the exposures for the later epoch, these check plates will be first exposed, again for half a minute, and they will then be immediately developed. Simple inspection will then show at once) The small additional image must serve the purpose of preventing any mistake in the chronology of the images. whether the images get in the right position and whether or not they are equally bright with those of ten years ago. If not then they will indicate what corrections in position and time of exposure will be necessary. Some of these check plates further will enable the observer to convince himself from time to time whether the plates...

Reviews

Thorough guide for pdf enthusiasts. Better than never, though i am quite late in start reading this one. Its been printed in an remarkably simple way which is only soon after i finished reading through this pdf by which really altered me, change the way i believe.

-- **Dr. Rowena Wiegand**

This pdf may be worth getting. It is actually written in straightforward words and not difficult to understand. You will not feel monotony at any moment of your respective time (that's what catalogs are for about should you request me).
