As we take this journey, friends and family members walk alongside of us. But sometimes, life gives us an unexpected detour and we are forced to leave that main road and those we love, and travel alone to the unexpected. This is what happened to author Karen Kelly Boyce when she was diagnosed with breast cancer. Her travels that first year chronicle her shock, denial, acceptance, hope and survival. This book is one of laughter and tears, struggle and triumph. A must read for anyone facing a difficult journey.or knows someone who is.
