AUTHORHOUSE, 2016. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.First and foremost, I give God thanks for the ability to expand my mind to show His children we all can change. I knew it would be hard to change my life around, but with God all things are possible and it is the way into the Light of Success. I've walked many days in the mist of darkness, but He sent Angels down to guide me along my sinful way in life itself. So thank you Carol Dickerson-Watkins, Larrika Bishop, Marie Dickerson, James Dickerson, and Carl Williams for your loving support. Without this love I couldn't reach this goal, which God placed in my path. So I hope all my sisters and brothers take the dark veil off the naked eye to see what God has planned in our life as Sinners to become Saints. I dedicate this first book of -Exiting The Game- to this world of life, and all the love ones were lost in Satan's dark world of pain and destruction. Amen This fiction novel has been written by Donald Beach Howard Jr. -Exiting The Game- was based on the streets activities of life, which revolves around the world today. Thank You and please give the Lord a try.
