

Firearms Inventory Log Book (Paperback)

By Shannon O Shuman

Createspace, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This book is the perfect accessory for anyone who owns a firearm. Firearms Logbook was written for the general public consumer who wants to keep firearm records but is unsure what information is required or how to record this information. This book provides a consolidated, comprehensive listing of firearm specifics that will enable quick identification and ease the burden of proof should it become necessary. This book has many uses: For the novice. It serves as an instructional tool. For the first time gun owner who wants to record the information about their new possession, but does not know what is required, or where to start, it provides a good base for records. This book makes an excellent gift to accompany anyone's first firearm. For the collector/investor. It serves as a log book, recording transactions and point of sale information from acquisition to sale of the weapon in one place. It allows freeform annotation of modifications made to the weapon to ensure the investment is properly catalogued. For the heirloom. It also provides a notes section for the owner to annotate...
