Brand New Book ***** Print on Demand *****.Healing and sickness are critical issues for the church. The Bible teaches that gift of salvation includes both forgiveness and healing in the same package. Jesus confirmed this by healing wherever he went. He healed so many sick people that even his enemies had to take him seriously. Healing the sick was crucial for the success of the early church. The modern Christian practice falls far short of their experience. This book provides fifteen keys that will help God's people obtain greater victory over pain and sickness. Here are some of them. The gift of healing confirms the gospel, so it is primarily for evangelism and not for Christians. The modern world struggles with sickness, so the best proof of the love of Jesus is seeing sick people being healed. The gift of healing belongs in the streets and marketplaces, not at the front of a church. Submission and spiritual protection go together. Pleading with God to heal a sick friend devalues Jesus work on the cross. Asking why God allowed a Christian to die of sickness is dangerous, because questions God's character. Elders and pastors are accountable for dealing with sickness in the church, because Jesus never gave them authority to control the church, but he did give them authority to heal the sick and cast out demons. Many Christians have prayed against sickness for a long time without gaining victory. This book is not for them. Most of the blockages to healing are problems with church leadership, so an individual cannot deal with them on their own. This book provides guidance for Christian Elders who are serious about getting victory for those whom...
