Minecraft: The Unlikely Tale of Markus "Notch" Persson and the Game That Changed Everything

By Daniel Goldberg, Linus Larsson

Ebury Publishing. Paperback. Book Condition: new. BRAND NEW, Minecraft: The Unlikely Tale of Markus "Notch" Persson and the Game That Changed Everything, Daniel Goldberg, Linus Larsson, In 2011, Markus Persson was a bored IT-developer in Stockholm. In the evenings, he toiled away on a labour of love: a game with a tiny but dedicated online following. It was called Minecraft and Markus released it to the world in early 2009. The game itself looks deceptively simple. It resembles a digital version of Lego - bricks stacked on top of each other, giving players a world where they build whatever structures their mind can conjure. A breath of fresh air compared to the industry giants' shooter games. In the space of a few years, Minecraft has become one of the most astonishing success stories of the internet age, attracting millions of players and proving how a single great idea can topple empires in the digital, post-industrial world. This is the story of the man behind the game. Here Markus opens up for the first time about his life. About his old Lego-filled desk at school, the first computer his father brought home one day and also about growing up in a...

Reviews

This type of ebook is everything and got me to seeking in advance plus more. it was writtern really completely and helpful. You wont feel monotony at at any moment of your respective time (that's what catalogues are for about should you request me).
