Reviews

This is basically the finest publication i actually have go through till now. We have read and i also am confident that i am going to likely to read through again once more in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Prof. Adell Lubowitz)

POSITION PIECES FOR CELLO, BOOK 2

Alfred Music. Paperback. Book Condition: New. Paperback. 48 pages. Dimensions: 11.8in. x 9.1in. x 0.3in. Position Pieces for Cello, Book 2 fills the pedagogical gap between the first book of Position Pieces and the two Thumb Position for Cello books in that it covers the fifth, sixth, and seventh positions. Position Pieces for Cello, Book 2 systematically introduces ways to find the correct location of each position and also to understand the various finger patterns required. As with Mr. Mooneys other books, this is accomplished in an enjoyable and creative manner through the use of cello duets. With titles like Surfing Cellos, Jumping Flea, and The Happy Certified Public Accountant, these pieces are really fun for students to play! This book will prove to be an indispensable tool for intermediate level cello students. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
