Mariner Books. Paperback. Condition: New. 384 pages. The Hearth and Eagle is a substantial and well-told story that makes real one of the longest and most vigorous strands in the making of our country. New York Herald Tribune Miss Seton handles her clan cleverly. Backward flashes, fragments of letters, a bit of brocade, or a concealed corridor resurrect the dead . . . An eloquent reminder of Yankee staunchness. Saturday Review of Literature In the mid-1940s, the great historical novelist Anya Seton embarked on a fervent search for her forebears that led her to Marblehead, Massachusetts, a sea-girdled town of rocks and winding lanes and clustered old houses. There she found not only an ancestor, but also the setting for this, her fourth novel. It is not only the story of Marblehead, from its earliest settlement to Setons present, and of a family who settled and stayed there in the Hearth and Eagle Inn; it is also the story of Hesper Honeywood, a passionate young woman whose long and dramatic life, full of triumph and tragedy, contained the history of both. In one of her most ambitious novels, Anya Seton here created one of her most memorable heroines, and one of her most varied tales. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
