Beatlerness: How the Beatles and Their Fans Remade the World (Hardback)

By Candy Leonard

Skyhorse Publishing, United States, 2014. Hardback. Condition: New. Language: English . Brand New Book. The Beatles arrived in the United States on February 7, 1964, and immediately became a constant, compelling presence in fans lives. For the next six years, the band presented a nonstop deluge of sounds, words, images, and ideas, transforming the childhood and adolescence of millions of baby boomers. Beatlerness explains how the band became a source of emotional, intellectual, aesthetic, and spiritual nurturance in fans lives, creating a relationship that was historically unique. Looking at that relationship against the backdrop of the sexual revolution, the Vietnam War, political assassinations, and other events of those tumultuous years, the book examines critically the often-heard assertion that the Beatles changed everything and shows how--through the interplay between the group, the fans, and the culture--that change came about. A generational memoir and cultural history based on hundreds of hours of in-depth interviews with first-generation fans, Beatlerness allows readers to experience--or re-experience--what it was like to be a young person during those eventful and transformative years. Its fresh approach offers many new insights into the entire Beatle phenomenon and explains why the group still means so much to so many.

Reviews

Extensive guideline! Its this sort of very good go through. I have got read and i am confident that i will gonna read through once more once more in the future. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Joana Champlin

Here is the greatest pdf i have got read through till now. It typically will not charge excessive. You wont really feel monotony at anytime of the time (that's what catalogs are for concerning when you question me).
