

The Cambridge Companion to Liberation Theology (Paperback)

By -

CAMBRIDGE UNIVERSITY PRESS, United Kingdom, 2007. Paperback. Condition: New. 2nd Revised edition. Language: English . Brand New Book. Liberation theology is widely referred to in discussions of politics and religion but not always adequately understood. The second edition of this Companion brings the story of the movement's continuing importance and impact up to date. Additional essays, which complement those in the original edition, expand upon the issues by dealing with gender and sexuality and the important matter of epistemology. In the light of a more conservative ethos in Roman Catholicism, and in theology generally, liberation theology is often said to have been an intellectual movement tied to a particular period of ecumenical and political theology. These essays indicate its continuing importance in different contexts and enable readers to locate its distinctive intellectual ethos within the evolving contextual and cultural concerns of theology and religious studies. This book will be of interest to students of theology as well as to sociologists, political theorists and historians.

Reviews

Definitely one of the better book We have possibly read. We have read through and i also am certain that i am going to gonna study once again yet again in the foreseeable future. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Enrique Labadie**

It in just one of my personal favorite book. I was able to comprehended every little thing out of this published e publication. It is extremely difficult to leave it before concluding, once you begin to read the book.
