There are also mermaids. THE TRELANTON TALES is a collection of three stories, revealing the lives of the merfolk and their impact on our world. THE MAID OF TRELANTON Jonathan Moore never believed in myths and legends, until he encountered a mermaid on the beach. Now he faces a choice that could change his life forever. DEEP SECRETS The paths of mermaids and land-men rarely cross, but when they do, memories are awoken, vengeance is stirred, and secrets are uncovered. For both man and maid, things will never be the same again. SEAGULL S EXILE All mermaids have their talents, and Zethar was gifted with a skill rarely seen. But not all the merfolk appreciate her abilities, and it leads to an uncertain future for Zethar. Also includes a guide to the characters and locations in the stories.
