## Thinking Inside the Box: A Christian Perspective on Academic Disciplines

By MR Robert C Walton

Planters Press, United States, 2011. Paperback. Book Condition: New. 277 x 216 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Secularism has become the religion of the university campus, and Christians are often subjected to ridicule and taught that what they have learned from their parents, (Christian) school, and church is not worthy of consideration by a thoughtful person in today's society. How are Christian young people to be intellectually and spiritually equipped for today's college campuses? Students must first understand that all truth is God's truth. The world is not divided into the realms of the secular, where science and humanism reign and religion has no place, and the sacred, where beliefs amount to little more than unsubstantiated opinion not worth discussing in academic circles. Nothing about God's world may be rightly understood apart from His Word. Secondly, students must recognize that everyone has a worldview through which he interprets everything around him. Humanists love to picture their approach as objective and unbiased because it is based on science while dismissing Christian thought as subjective because it is grounded in faith. Nothing could be further from the truth. Everyone makes assumptions about..
