Reviews

An exceptional ebook along with the typeface employed was intriguing to see. It really is simplistic but surprises within the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.

Lulu.com, United Kingdom, 2012. Paperback. Book Condition: New. 206 x 146 mm. Language: English . Brand New Book ***** Print on Demand *****.Only upon publication do I realise this book s genre:Horror!The first part of this book Am is only a fragment of a book I wrote largely in the eighties about my search for my mind after a serious mental breakdown after leaving Oxford University in 1976,my subsequent conversion to Christianity and the development of a personal relationship with Jesus.It also describes some of the relationships in my life,my mother,my father,my ex wife and my brothers and sisters,plus a few friends,and associates.Their names are disguised!It is written in broken language to evoke my mentality at the time.Please forgive some of the errors in text,because i haven t had the time or patience(!)to work any more on it because it belongs in the past.However some of the errors are deliberate,I was thinking very much of James Joyce s style in Ulysses.The second half,Regime in the Head,written before AM,is about my life in the mental health system and the Church of England,and is largely a diary.
