We can find many learning materials at a low cost or just the time it takes to search. Many people notice a new book or article in a magazine when there s a photo or an excerpt (in a poster quote) on Facebook. This book is a portal, a gateway, or a collection of links to videos that show you how to get to the original pieces. These pages introduce you to materials that are waiting for you online. Dr. Fischler has several interviews which are collected on SoundCloud. You can also hear those interviews on YouTube. For example, search Abraham Fischler soundcloud For more information, go to.
