iUniverse, United States, 2008. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.With so many control freaks in Hollywood with more status and ambition than Python Studios executive Blair Tierney, can she really guide her own destiny? While others in Los Angeles want to be a star, Blair reflects the light of others. When will it be her time to shine? After meeting a British rock star auditioning for a movie at the studio where she works, the relationship gets off to a rocky start when an earthquake hits Los Angeles. Then her best friend Carolyn becomes engaged and her ex-boyfriend Brogan pitches a project, which becomes a smash hit, making him obscenely rich. On the Hollywood food chain of success, each of her coworkers seems to surpass her, and Blair's quest for happiness begins to teeter when a Python starlet is murdered. DANIEL COX takes us on a wild romp from the studio back lot to the Pacific Coast Highway where stars and star makers battle for adoration, power, survival and success.
