

Japan Took the Jap Out of Me

By Lisa Cook

Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Six days after an InStyle-worthy wedding in Los Angeles, Lisa Fineberg Cook left behind her little red Jetta, her manicurist of 10 years, and her very best friend for the land of the rising sun. When her husband accepted a job teaching English in Nagoya, Japan, she imagined exotic weekend getaways, fine sushi dinners, and sake sojourns with glamorous expatriate friends. Instead, she's the only Jewish girl on public transportation, and everyone is staring. Lisa longs for regular mani/pedis, valet parking, and gimlets with her girlfriends, but for the next year, she learns to cook, clean, commute, and shop like the Japanese, all the while adjusting to another foreign concept--marriage. Loneliness and frustration give way to new and unexpected friendships, the evolution of old ones, and a fresh understanding of what it means to feel different--until finally a world she never thought she'd fit into begins to feel home-like, if not exactly like home.

Reviews

Certainly, this is actually the best job by any article writer. It can be loaded with knowledge and wisdom I realized this pdf from my i and dad advised this book to discover.

-- **Ms. Verlie Goyette**

Simply no words and phrases to spell out. it was writtern extremely perfectly and useful. I am easily could possibly get a satisfaction of looking at a composed publication.
