Children respond to real-life action photographs, and they will love putting names to the host of cheerful, bright shapes in this book. Pictures and simple text combine to help youngsters develop their reading skills. They will absorb the concept of patterns while using interactive stickers to put flowers into the striped vase or to seek out the spotted bugs. The stickers are reusable, so young readers can think about the concepts again and again and so improve their skills, or use the stickers to make their own pictures, stories and games.
