Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. It is the positive and aggressive attitude toward life, the ethics of action, rather than the ethics of negation, that must control the modern business world, and that may make our modern business man the most potent factor for good in this, his own, industrial period. Show Excerpt fellow members of his profession as the true test or measure of his success. Thus the lawyer, in the theory of his profession, bears an important public relation to the dispensing of justice and to the protection of the innocent and the feeble. He is not a private person, but a part of the system for supporting the reign of law and of right in the community. Historically, in this country, the lawyer has also borne a great part in the making and administering of our institutions of government. If, as some of us think, the ethical code of that profession needs to be somewhat revised in view of present-day conditions, and needs also to be more sternly applied to some of the members of the profession, it is true, none the less, that there clearly belongs to this great calling a series of duties of a public nature, some of them imposed by the laws of the land, and others inherent in the very nature of the occupation itself. It is true in an even more marked and undeniable fashion that the profession.
