History Press. 1 Paperback(s), 2009. soft. Book Condition: New. The author of *Pauper Ancestors* and *Railway Ancestors* here offers practical, in-depth guidelines for researching criminal ancestors in the British family tree, many of whom were "obliged" to steal for mere survival and suffered imprisonment for the most trivial offenses. David Hawkings's pioneering study includes surveys of material held by all County and Borough Record Offices, police archives, and other repositories, as well as numerous example cases and illustrations, appendices with source material, and a case history to show the extent to which one individual criminal can be researched. "This is a must-have for those on the trail of their own 'black sheep'." *Family History Monthly* 492.
