

The Limits of State Action (Hardback)

Filesize: 8 MB

Reviews

It is in a single of my personal favorite publication. It usually fails to charge an excessive amount of. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Mr. David Friesen IV)

THE LIMITS OF STATE ACTION (HARDBACK)

Liberty Fund Inc, United States, 1993. Hardback. Book Condition: New. Revised edition. 232 x 158 mm. Language: English . Brand New Book. The grand, leading principle, towards which every argument . . . unfolded in these pages directly converges, is the absolute and essential importance of human development in its richest diversity. This description by Wilhelm von Humboldt of his purpose in writing *The Limits of State Action* animates John Stuart Mill's *On Liberty* and serves as its famous epigraph. Seldom has a book spoken so dramatically to another writer. Many commentators even believe that Humboldt's discussion of issues of freedom and individual responsibility possesses greater clarity and directness than Mill's. *The Limits of State Action*, by Germany's greatest philosopher of freedom, as F. A. Hayek called him, has an exuberance and attention to principle that make it a valuable introduction to classical liberal political thought. It is also crucial for an understanding of liberalism as it developed in Europe at the turn of the nineteenth century. Humboldt explores the role that liberty plays in individual development, discusses criteria for permitting the state to limit individual actions, and suggests ways of confining the state to its proper bounds. In so doing, he uniquely combines the ancient concern for human excellence and the modern concern for what has come to be known as negative liberty. J. W. Burrow is Professor of History at the University of Sussex.
