You are the son of a Mayan soothsayer, living near the city of Copan in about AD 710. Becoming a soothsayer yourself means you could become an important man. However, you d rather stay in your peaceful village being a farmer - get something wrong as a soothsayer and you ll be sacrificed! You Wouldn t Want To Be is a constantly-growing library of exciting titles which transport the reader to the grisliest times and places in history. The first-person narrative approach puts the reader in the shoes of some of the most unfortunate people ever to have lived.
