MEMORY HACKS: 15 SIMPLE PRACTICAL HACKS TO IMPROVE MEMORY (PAPERBACK)

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Unlock The Keys To Improve Memory Have you ever wished that you could have a stronger memory? Have you feared losing your memory as you age? Have you ever wished you could recall things simply and easily to increase your productivity? Or maybe you just want to remember where you put your keys at night? If you want to accomplish any or all of those things, try Memory Hacks. We ve all had one of those days. Where did I leave my keys? What did I need at the store? When was that appointment? What did I need at the grocery store? We all have wished at one point or another that we didn t need to ask ourselves these questions only to get no answer. Sometimes, it seems like our memory is slipping away right before our very eyes. It can be frustrating to walk into a room only to forget what you were doing. It can create anxiety to have someone verbally give you directions only to forget them halfway through. Work can become a nightmare when you can t remember simple tasks such as watering a plant daily or when a meeting is. You say to yourself, There has to be a better way! and there is! In Memory Hacks, discover how to: - Freeze thoughts for associative recall - Link muscle memory to memorization - Compartmentalize thoughts for an uncluttered mind - Refresh your mind with breathing and relaxation techniques - Visualize thoughts for memory enhancement - Find solutions and remember details through memory scanning - Choose memory-boosting drinks - Substitute symbols for complex actions - Personalize clues to follow the memory trail - Create stories to link...
