Brand New Book. REVEL is the newest way of delivering our respected content from Pearson. Fully digital and highly engaging, REVEL replaces the textbook and gives students everything they need for the course. Informed by extensive research on how people read, think, and learn, REVEL is an interactive learning environment that enables students to read, practice, and study in one continuous experience-for less than the cost of a traditional textbook. A practical guide for both students and practitioners in the field. Written by a nationally-recognized expert in criminal investigation and police procedure, Criminal Investigation: The Art and the Science, 8/e, clearly and thoughtfully explains the fundamentals of criminal investigation and forensic science as practiced by police investigators across the nation. The text explores the past experience of investigators as well as new and emerging techniques in forensic science. Lyman focuses on the steps and considerations involved in actual criminal investigations and examines the many external variables that can influence an investigator's success in the field. In the Eighth Edition,...
