

The Role of The Academic Librarian (Chandos Series for Information Professionals)

Filesize: 4.43 MB

Reviews

The book is not difficult to read through better to recognize. It really is written in straightforward terms instead of confusing. I am happy to inform you that this is actually the finest publication I actually have read in my individual daily life and may be the best book for possibly.

(Valerie Heaney)

THE ROLE OF THE ACADEMIC LIBRARIAN (CHANDOS SERIES FOR INFORMATION PROFESSIONALS)

[DOWNLOAD](#)

Chandos Publication, 2003. Soft cover. Book Condition: New. The role of the academic librarian has undergone a large degree of change, and this resource outlines and describes the skills necessary to succeed in these large, often complex, organizations. It explains in practical terms how to stay organized, communicate successfully, network and navigate through an often politicized environment, how to apply business practices to the field of librarianship, how to use organizational behavior techniques to manage yourself and your work, and it provides a plan for moving up through the organization. Tools and techniques related to time management, meetings, projects, publishing, research, communications (paper and electronic) and supervision are offered, and the impact of the growth of electronic formats on the role of the academic librarian is discussed in detail.
