Bloomsbury Publishing PLC. Paperback. Book Condition: new. BRAND NEW, Bodies Electric (UK open market ed), Colin Harrison, Jack Whitman is head of long-range planning at a major media empire. Two years have passed since his cherished wife, pregnant with their first child, was killed in a mindless spasm of New York violence. Now, emotionally numb and blindly ambitious, and with the corporation on the verge of a merger, Jack is caught in a power-play between the scheming CEO and the ageing chairman. Taking the subway home one night, Jack meets Dolores, a beautiful, troubled woman who, with her young daughter, is on the run from her dangerously jealous husband. Against every instinct of urban survival, Jack takes them in, gradually uncovers Dolores' tragic secret, and begins to fall in love. When Jack Whitman's two worlds collide, he is plunged into a perilous fight for his home, his job, his life.
