Createspace, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This is a fun look at a family trip to Orlando and Silver Springs, Florida, from the viewpoint of our stuffed alligator. In fact, Al can introduce his story better than we can: Hi, have we met yet? I m Al, Alligator Al. I know, I know, not exactly an original name, but hey, you don t get to pick your name. Maybe you ve met some of my friends: Horsey took a trip to Panama, and Bandit took a trip to Washington D.C. I didn t get to have an adventure with either of them, but I had my own adventure. One cold November, my family decided they needed a vacation. Sunny Florida sounded good. In fact, we decided that Orlando, Florida would be our primary vacation spot. Now before you start seeing visions of Disney World and Sea World, guess again. Anyone can go to Florida and see those places, but with the power of the internet, we were able to find all sorts of cool things to see and do instead of those. This book is a photo journal of that trip. Join us for the fun. (For some reason the preview shows the pictures in the book in color, but they are actually in black and white in the print copy. Sorry for any confusion that might cause.).
