This book is written for people who make ideal targets or marks for con artists: - softhearted, caring and sometimes gullible - love kids and animals - have an aversion to darkness and violence - Rescuers to try to fix broken or wounded people If you are one of these people, this book can help if you: - would rather get smart than be a Victim - want a con artist-free life - wish to be free of illusions that make you a target for con artists - want to use the dilemmas in your life to become more self-aware. For almost 15 years Janae has been on a search to know what is real and what is illusion. She wrote this mind-stretching book out of her personal experiences. Surrounded by con artists, sociopaths and predators as a child, she had many up-close encounters with people who saw conning as a natural part of life. Part One of the book gives an overview of the subject and presents a lens for viewing deviant people. Part Two looks at the places where these folks hide, and shows you how to spot them. Part Three looks at what makes people become con artists, why you might attract them in your life, and how to protect yourself from them. In this part Janae also shares stories about her personal encounters with con artists, sociopaths and predators. It closes with Janae s summary of what she learned from her experiences and presents a how-to framework for breaking free that will inspire you!.
