Reviews

Thorough guide! Its this sort of excellent read. It is really simplified but unexpected situations in the 50 % in the book. You are going to like just how the blogger create this publication.

(Prof. Lela Steuber)

GREAT RAILWAY MAPS OF THE WORLD

Penguin Books Ltd. Paperback. Book Condition: new. BRAND NEW, Great Railway Maps of the World, Mark Ovenden, From Mark Ovenden, the author of London Underground by Design and Metro Maps of the World, comes Great Railway Maps of the World, a beautifully illustrated, comprehensive history of the greatest railway maps, and the story behind them. The history of the railway is the history of Britain - and France, and America, and Japan, and Russia, among many others. Featuring hundreds of images, covering two centuries of advertising, surveyors' maps, route guides, travel posters, photos, and Google Earth maps, this is a book brimming with history, data and anecdotes. It is a must-have guide for every train fanatic, armchair or ticketed, as well as lovers of graphic design, history and the romance of railway travel. "The romance of the overground railway pours from the edges of many of the images in Great Railway Maps. Few other subjects can envelop such a heady mixture of design, history, geography and - more often than not - usefulness. It's well worth alighting on". (Will Dean, Independent). "Just the ticket. It is a glorious celebration of the pioneering history - and romance - of the railways". (Sunday Times Travel Books of the Year 2011). "If you love railways or know someone who does, this is the book for you". (Robert Elms, BBC London). Mark Ovenden is a British writer and broadcaster. At the age of seven, he travelled alone ten miles on the London Underground, armed only with a map. He later gained entry to a Graphic Design course by submitting a reworking of the London tube map. His previous books are Metro Maps of the World, Paris Metro Style and London Underground by Design. He is a Fellow of the Royal Geographic Society and lives in...
