Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Singing is an amazing accomplishment that almost everyone in the world wants to achieve. However, only a few people are actually lucky enough to successfully write a song, let alone sing it. Many people think that coming up with lyrics to a song is the hardest job in the world as it requires a high level of creativity which only poets master musicians can conjure. I am here to tell you that this is just a stereotype and a misconception. Just take a look at the mainstream musical hits, for starters! The book has purposefully been designed for those who want to learn how to write a song, but don't know where to start from. It literally packs everything there is to know about writing a great song, from its structure to its thought process, nothing essential is left out. But the book also doesn't forget about your personal business and hectic schedule, especially if you're a person who's planning on doing this part-time. I've described a really simple way to write a song, all in an hour with the help of simple refined techniques. Quite often, people tend to get bogged down in the useless details of writing a song, which not only slow the entire process down but also become a reason to lose interest in the whole process. Lucky for you, I've skipped all those boring essentials and have kept everything to the point, so you can easily instantly apply the knowledge you learn from the book, into your practical life. After you've read the book, I'm sure you'll feel as if a whole new side of...
