Identifying Gifted Students: A Practical Guide

By Susan Johnsen Ph. D.

Prufrock Press. Paperback. Condition: New. 192 pages. Dimensions: 8.9in. x 6.0in. x 0.5in. The newly revised Identifying Gifted Students: A Practical Guide is aligned with both the updated National Association for Gifted Children (NAGC) Pre-K12 Gifted Program Standards and the NAGC and The Association for the Gifted, Council for Exceptional Children (CEC-TAG) professional development standards. This book is relevant in any state or setting that intends to meet these national standards and uses multiple assessments to identify gifted students within an increasingly diverse population. Designed for practicing professionals such as teachers, counselors, psychologists, and administrators, Identifying Gifted Students addresses definitions, models, and characteristics of gifted students; qualitative and quantitative approaches to assessment; culturally fair and nonbiased assessment; and how to evaluate the effectiveness of identification procedures. In addition, the book provides a complete summary of all major assessment instruments, including scoring information, reliability, and validity. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
