Reviews

This type of publication is almost everything and helped me looking forward and much more. I am quite late in start reading this one, but better then never. You wont really feel monotony at whenever you want of your own time (that's what catalogs are for relating to if you ask me).

Mindfulness Will Change Your Life -- Learn How To Start Living Each Day To The Fullest! Are you tired of feeling stressed, and never having enough time? Would you like to have more happiness, peace, and love? Maybe you just want to stop procrastinating and create a better life for yourself? No Matter What Problems You re Facing, Mindfulness Is The Answer. Mindfulness is a philosophy that teaches us that in order to live a happy and productive life we must live in the present moment. Unfortunately, in today s world we live in the exact opposite way. We are present everywhere except right here, right now. You could even say that we live according to the philosophy of mindlessness. Always rushing, always multitasking but never stopping to actually live. Begin at once to live, and count each separate day as a separate life. - Seneca Our Mind Wanders Either In The Memories Of Our Past Or In The Dreams Of Our Future. The present moment is considered too boring to merit our attention. We feel there are always more important things to do, more things we have to get done. So we give the present moment just enough attention to get by but nothing more than that. If we do become mindful of our present situation, it depresses us because we realize that we really have no control over our lives. In a moment of rare clarity we see that our real life and our ideal dream life are worlds apart. To forget this fact we seek distractions in the form of reality television shows, cute cat pictures, social media, alcohol, shopping, fast food, drugs and anything else...
